

# ALOHA SOCCER SCHOOL

## Outline and Rules 2023-2024

### 1 . Concept

Our first goal is to enjoy playing soccer. Also, we mainly focus on improving personal skills. We will maximize each player's potential and characteristics, and develop players to have a bright future.

ALOHA SOCCER SCHOOL is a "Soccer Class (Clinic)", not a team/club. We welcome HYSA players, AYSO players, and other motivated players.

We strongly believe that our programs and activities will contribute to improving the overall level of youth soccer in Hawaii.
